OUR STORY

From a simple belief, we weave a better future.

Evara is born from a simple belief – that timeless materials, in the hands of skilled people, can create a better future for all.

Rooted in the rich heritage of Bangladesh, the home of the golden fibre, we work with local artisans and partners to create beautiful, functional products that bring natural beauty and sustainability into everyday life.

We don't just supply products, we build relationships.

> *Jute is more than a fiber.*
> *It is our heritage,*
> *our responsibility,*
> *and our opportunity*
> *to create a better world.*

OUR HERITAGE. OUR PRIDE.

RICH HERITAGE

Generations of craftsmanship and a deep connection to the golden fiber of Bangladesh.

NATURAL & RENEWABLE

Jute is biodegradable, renewable, and one of the most eco-friendly fibers on the planet.

SKILLED PEOPLE

We empower local artisans and communities through fair opportunities and long-term partnerships.

MADE FOR THE WORLD

Blending traditional craftsmanship with modern design to create products loved across global markets.

REFINED ESSENTIALS

ABOUT EVARA

Crafted with Purpose. Rooted in Heritage.

Evara is a premium sustainable products brand under Portwise Ventures, dedicated to connecting the craftsmanship of Bangladesh with global markets.

We partner with experienced manufacturers and artisans to develop high-quality jute products that reflect natural elegance, durability and modern design.

VISION

To become a globally trusted sourcing partner for premium handcrafted jute products, showcasing Bangladesh's heritage while promoting sustainable living worldwide.

MISSION

To simplify global sourcing by delivering responsibly made, high-quality jute products through transparency, reliability and long-term partnerships.

OUR VALUES

INTEGRITY
We build trust through honesty, transparency and ethical practices.

SUSTAINABILITY
We care for the planet by promoting eco-friendly materials and responsible production.

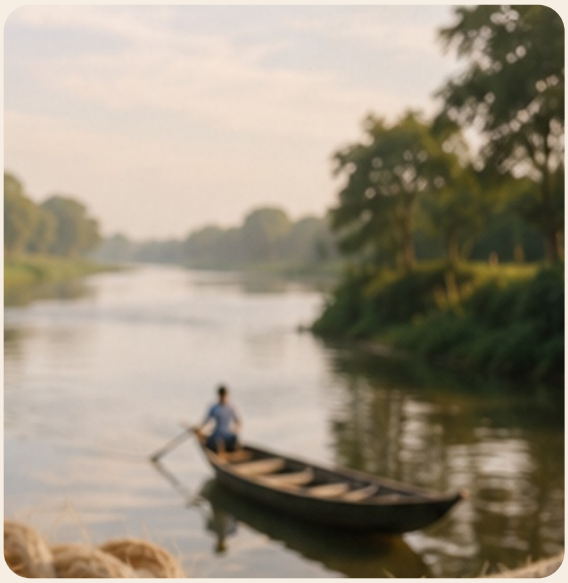

PARTNERSHIP
We grow together with our clients, artisans and communities.

QUALITY
We are committed to exceptional craftsmanship and consistent quality.

INNOVATION
We combine traditional skills with modern design to create timeless products.

We don't just create products, we create impact.

WHY BANGLADESH?

The home of the golden fibre.

Bangladesh is one of the world's leading producers and exporters of jute. Our climate, fertile soil and generations of expertise result in jute that is strong, versatile and naturally sustainable.

The Golden Fibre
Jute is one of the strongest natural fibers, known for its durability, breathability and versatility.

Skilled Craftsmanship
Generations of skilled artisans and weavers bring expertise and attention to detail.

Naturally Sustainable
100% biodegradable and renewable, jute supports a greener planet and a better tomorrow.

Export Excellence
Well-established infrastructure and global experience ensure smooth and reliable export processes.

Connected to the World
Strategically located with easy access to global markets and efficient logistics networks.

THE GOLDEN FIBRE

From fertile soil to skilled hands, Bangladesh gives the world jute – a gift of nature, refined by human expertise.

Strong by nature. Sustainable by choice.

DEVELOPMENT

We discuss ideas, finalize specifications, and create designs or prototypes as per your vision.

03

SAMPLING

Samples are crafted and shared for your approval. We refine until it's just right.

04

PRODUCTION

Once approved, we manufacture with precision, maintaining quality and ethical standards.

05

QUALITY CONTROL

Every product undergoes rigorous quality checks at multiple stages to ensure perfection.

06

SHIPPING

We handle packaging, documentation and logistics to ensure safe and timely delivery to your doorstep.

Every step is guided by care, transparency and a commitment to excellence.

Because your trust deserves nothing less.

OUR COMMITMENT

Better for People.
Better for the Planet.

At Evara, sustainability is not a trend – it is the way we think, the way we work, and the promise we keep.

01

SUSTAINABLE BY NATURE

Jute is 100% biodegradable, renewable and requires minimal resources to grow. We choose jute for a greener tomorrow.

02

ETHICAL & FAIR

We work closely with local artisans and communities, ensuring fair wages, safe working conditions and respect for all.

03

QUALITY YOU CAN TRUST

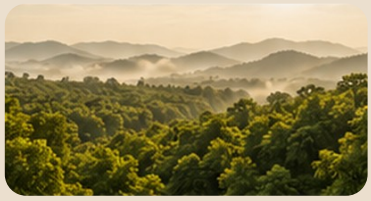

Our products go through strict quality checks at every stage to ensure durability, safety and consistency.

04

PARTNERS FOR THE FUTURE

We are committed to building long-term partnerships that create shared value and a positive impact on the world we live in.

Every choice we make today shapes a better tomorrow.

ECO-FRIENDLY MATERIALS
We use natural, biodegradable and low-impact materials.

LOW ENVIRONMENTAL IMPACT
From farming to finished product, we minimize waste and emissions.

SUPPORTING COMMUNITIES
Empowering artisans and rural communities through fair trade.

RECYCLABLE PACKAGING
Our packaging is recyclable and responsibly sourced.

A GREENER FUTURE
Together, we create products that care for people and planet.

EVARA
