JUTE EXPORT

Evara

01

Evara is our jute export brand. It brings finished, value-added jute goods, made from Bangladesh's renewable "golden fibre", to buyers in the UK, Dubai/UAE, the US and Europe.

- Renewable and biodegradable natural fibre
- Strong, durable and reusable
- Easy to brand for retail and promotion
- Sourced from verified mills in the Chattogram area

Product range

Jute shopping bags

Custom, reusable and eco-friendly. Our first listed product.

Other jute goods

Further value-added jute products, being finalised with our mills.

Custom branding

Your logo and print on natural jute for retail and promotional use.

Packaging and labels

Packing and labelling matched to your market, on request.

WHAT WE CAN DISCUSS WITH YOU

Sizes · Handles · Print and colours · Packaging · Labels

Specifications and minimum order quantities are shared on request while our catalogue is finalised.

LAUNCHING NEXT

Agrinest

02

Agrinest is our planned agro export lineup. It brings Bangladesh's agricultural produce to export buyers, with quality grading, protective packaging and close coordination between farm, port and carrier.

- Quality grading and inspection before shipping
- Export-standard packaging to protect freshness
- Tight timing from farm to port to carrier
- Documentation prepared for every shipment

Product range

Fresh vegetables

Graded and packed for export.

Fresh fruits

Seasonal produce handled with care in transit.

Export packing

Packaging matched to destination and shelf life.

Seasonal availability

Product list and seasons shared as the lineup launches.

WHAT WE CAN DISCUSS WITH YOU

Grades · Packaging · Quantities · Delivery timing

Product list, seasons and availability will be confirmed as Agrinest launches.

EXPORT BRAND

Primecrest

03

Primecrest is our export-oriented brand for fish, meat, seafood, crabs and dry fish. These are perishable, regulated products, so the brand is built around licensed processors, hygiene and reliable cold-chain handling.

- Licensed processors and hygiene checks
- Cold-chain handling from source to port
- Export documents prepared for each shipment
- Orders sourced after advance payment or L/C

Product range

Fish and seafood

Fresh and frozen fish and seafood.

Crabs

Crabs for export buyers.

Meat products

Meat sourced and handled to export standards.

Dry fish

Traditional dried fish products.

WHAT WE CAN DISCUSS WITH YOU

Grades | Packaging | Quantities | Cold-chain needs

Product specifications, grades and packaging are shared on request.

WORKING WITH US

How to Order

04

1. **Send your inquiry**
   Share product, quantity, specifications and destination through our quote form, WhatsApp or email.

2. **Receive a quotation**
   We source from verified suppliers and send a clear, itemised quote.

3. **Approve samples**
   Samples and specifications are agreed before you commit.

4. **Confirm the order**
   The order is confirmed with an advance payment or a confirmed letter of credit (L/C).

5. **Production and shipping**
   We manage quality checks, export documents, port handling and carrier booking, with updates throughout.

Payment terms

Advance payment or confirmed letter of credit (L/C). Details are agreed in the quotation.

Export documents

Commercial invoice, packing list, bill of lading and other documents required by the destination country.

Let's build trade together
