OUR STORY

From fertile fields to tables around the world.

Agrinest was born from a simple idea: fresh produce from Bangladesh deserves a reliable route to buyers around the world.

Bangladesh's fertile delta grows an exceptional range of vegetables and fruits. As the fresh produce brand of Portwise Ventures, we connect its growers with international buyers through careful sourcing, clear communication and dependable export handling.

We don't just supply produce. We build relationships.

> *Good produce deserves a good journey, from the farm to the world.*

OUR PRINCIPLES

RICH FARMLAND

Fertile soil and favourable seasons across Bangladesh.

FRESH & SEASONAL

Winter vegetables, harvested and shipped in season.

TRUSTED SOURCING

Careful selection of growers and suppliers.

EXPORT-READY

Handled with international shipping in mind.

Sizes and availability vary by season. Pricing, packaging and MOQ on request.

ABOUT AGRINEST

Rooted in farms. Built for export.

Agrinest is the fresh produce brand of Portwise Ventures, connecting the farms of Bangladesh with buyers around the world.

We work with growers and suppliers to source vegetables and fruits that meet your requirements for size, freshness and consistency.

VISION

To be a trusted source of fresh Bangladeshi produce for buyers worldwide.

MISSION

To make sourcing from Bangladesh simple, reliable and transparent, from farm to port.

OUR VALUES

INTEGRITY

We build trust through honesty, transparency and ethical practice.

QUALITY

We care about freshness, grading and consistency in every order.

RELIABILITY

We deliver what we promise, when we promise it.

PARTNERSHIP

We grow together with our growers and our buyers.

SUSTAINABILITY

We respect the land and the people who work it.

We don't just supply produce. We build lasting partnerships.

Sizes and availability vary by season. Pricing, packaging and MOQ on request.

WHY BANGLADESH?

A land made for growing.

Bangladesh's fertile delta, rivers and long growing seasons support an outstanding range of vegetables and fruits.

Fertile delta
Rich alluvial soil and plentiful water across the country.

Winter harvest
The cool season brings cauliflower, cabbage, carrots, peas and more.

Wide variety
Gourds, beans, roots, leafy greens and fruits, grown in many regions.

Skilled growers
Farming knowledge handed down through generations.

Gateway to markets
Well placed for shipments to the Middle East, Asia and beyond.

FRESH BY NATURE

From fertile soil to skilled hands, Bangladesh grows exceptional produce. Agrinest brings it to the world.

Sizes and availability vary by season. Pricing, packaging and MOQ on request.
